

External Advisory Board

The composition of the External Advisory Board (EAB) is the following:

- **Prof. Ivano Bertini**, Center of Magnetic Resonance, University of Florence, Italy

- **Prof. Philippe Bastiaens**, Max Planck Institute of Molecular Physiology, Dortmund, Germany

- **Prof. Vasso Episkopou**, Imperial College, Faculty of Medicine, MRC CSC, London, UK

- **Prof. Werner Muller-Esterl**, President of the J. W. Goethe University, Frankfurt, Germany

- **Dr. Anastsassis Perrakis**, The Netherlands Cancer Institute, Amsterdam, The Netherlands

Partnering Organizations & Experienced Scientists

(a) Center of Magnetic Resonance (CERM), Florence, **ITALY - Prof. Ivano Bertini**

EAB & Partners

(b) Max-Planck-Institute of Molecular Physiology, Dortmund, **GERMANY - Prof. Philippe Bastiaens**

(c) Imperial College, Faculty of Medicine, London, **UNITED KINGDOM - Prof. Vasso Episkopou**

(d) Institute of Biochemistry II, Goethe University, **Frankfurt, GERMANY - Prof. Werner Mueller-Esterl**

(e) The Netherlands Cancer Institute (NKI), Amsterdam, **THE NETHERLANDS – Dr. Anastassis Perrakis**

(f) Center for Neurogenomics and Cognitive Research (CNCR), Amsterdam, **THE NETHERLANDS - Prof. Guus Smit**

(g) European Synchrotron Radiation Facility (ESRF), Grenoble, **FRANCE - Prof. Andrew Fitch**

(h) Center for Biomolecular Magnetic Resonance (BMRZ), University of Frankfurt, Frankfurt, **GERMANY - Prof. Harald Schwalbe**

(i) Tubitak Marmara Research Center, Food Institute, Instabul, **TURKEY – Dr. Somer Bekiroglu**

Industrial Partnerships

(a) VIANEX S.A., Pharmaceutical Manufacturers, Greece

(b) CBL (Chemical and Biopharmaceutical Laboratories) Patras, Achaia, Greece.

(c) EL-DRUG, Scientific Park, Patras, Greece.
