

EAB Meetings

Written by Administrator

Thursday, 12 April 2012 09:34 - Last Updated Tuesday, 01 December 2015 13:33

External Advisory Board (EAB) meetings are organized with the aim of the communication flow between EAB Members and the other parties involved in this project, that is the UPAT's representatives (Research Committee), the SEE-DRUG group members and the WP Leaders.

Advisory Board is composed of five European experts from partnering organizations:

- Prof. Ivano Bertini, Center of Magnetic Resonance, University of Florence, Italy
- Prof. Philippe Bastiaens, Max Planck Institute of Molecular Physiology, Dortmund, Germany
- Prof. Vasso Episkopou, Imperial College, Faculty of Medicine, MRC CSC, London, UK
- Prof. Werner Muller-Esterl, President of the J. W. Goethe University, Frankfurt, Germany
- Dr. Anastsassis Perrakis, The Netherlands Cancer Institute, Amsterdam, The Netherlands

EAB Meetings Schedule:

- [1st EAB Meeting, April 2012](#)
- [2nd EAB Meeting, May 2013](#)
- [3rd EAB Meeting](#)
